## Property Details

**93 Crown Street, SOUTH LISMORE**

**CHARMING, UNIQUE PROPERTY**

**3**  **5**  **4** 

This amazing property has been given a new life with beautiful renovations both inside and out. Charming features with a wonderful sense of comfort and peace plus the bonus of having so much space for multiple uses.

The home has 3 bedrooms, 2 with ensuites and built-in wardrobes, while the 3rd, (at the rear of the house) is situated close by the main bathroom and separate toilet.

Upstairs there's a very spacious workshop/office and storage area, hosting views to the east and west with its own small bathroom/ensuite. All bathrooms have handmade tile features.

The kitchen is a combination of stainless steel and solid timber with a subway tile splash back. It opens onto a comfortable loungeroom. Along the hallway there's a cafe style dining bench looking out the windows into the extensive gardens.

There are many beautiful timber features (inc. Tasmanian oak) throughout the house. Starting with a handmade repurposed wooden staircase, handmade teak doors, polished timber floors and handmade teak windows. Plumbing and wiring (inc smoke alarms) have been replaced plus a newly installed solar system.

Detached from the house is the large shed with double lockup garage and storage rooms. With its own dedicated driveway/entrance this would appeal to many buyers wanting extra space for the home gym, storage for the tradesperson, entertainment area or potential to run a business from home.

Inspection is a must to appreciate what this magnificent property has to offer.
